

CHÂTEAU BEAUSÉJOUR

HÉRITIERS DUFFAU-LAGARROSSE

1^{ER} GRAND CRU CLASSÉ
SAINT-ÉMILION

“Deep in color, this is beautiful from start to finish. Elegant, full-bodied, sensual, sexy, fresh and sweet, there is ample concentration and length here.”

Jeff Leve, The Wine Cellar Insider

Recognized as a Premier Grand Cru Classé from the origins of the Saint-Emilion Classification, Chateau Beauséjour Duffau-Lagarrosse heirs has belonged to the family since 1847. For seven generations, the Duffau-Lagarrosse heirs have striven to sustain this vineyard, a seven-hectare jewel, ingrained on the slope, offering itself to the wind and the sun to conserve its renown.

They count on an experienced team to conduct the necessary evolutions and elevate the wines of Chateau Beauséjour to the highest level. It is in this spirit that they asked Nicolas Thienpont and Stéphane Derenoncourt to accompany them beginning with the 2009 vintage.

VINEYARD AREA	6.80 ha/16.5 acres with 6,78 ha in production
PLANTATION DENSITY	7200 plants/ha, replantations at 8888 plants/ha
TERROIRS	40% clayey limestone plateau over asteriated limestone, 50% superficial clay-limestone over asteriated limestone on the South and West exposed slope, 10% colluvial clay-limestone soil on the hillside.
AVERAGE AGE OF THE VINES	40 years
VINEGROWING PRACTICES	A combination of traditional vineyard labouring and grass seeding. A continual vineyard renewal program: grubbing-up, replantation, massal selected complantation with higher density. Numerous manual interventions: de-budding, leaf stripping, crop thinning... A complete renovation of the trellising to augment the leaf canopy. Drainage on the entirety of the parcels of the property.
HARVEST DATES	Merlot: September 24 th and 28 th , October 2 nd and 4 th Cabernet Franc: October 4 th and 7 th
VINTAGE BLEND	86 % Merlot, 14 % Cabernet Franc
YIELD	45 hl/ha (60% of grand vin)
PRODUCTION	2,000 cases
ALCOHOL BY VOLUME	14,5%
